

KnoxHMIS User License Agreement

Staff (Print Full Name): _____ of **Agency** (Print Agency Name): _____

Each KnoxHMIS End-User is bound by the restrictions regarding Client information stated in this document, in addition to any Federal, State, and Local regulations. This End-User License Agreement is a contract between the above-named individual ("User") and KnoxHMIS.

KnoxHMIS Clients decide what information, if any, is entered into KnoxHMIS, as well as which pieces of information are to be shared, and with which Partner Agencies. A **Client Consent/Release of Information** form (ROI) shall be signed by each Client before any identifiable Client information is entered in KnoxHMIS and/or designated for sharing with any Partner Agencies. Users shall fully review with each Client the KnoxHMIS **Notice to Clients of Uses and Disclosures** ("Notice") prior to obtaining the Client's signature and ensure that the Client fully understands the information contained in the Notice (e.g. securing a translator if necessary).
